### Event Overview

Planning for the next chapter of life is about more than just numbers—it’s about ensuring your wellbeing, preserving your independence, and embracing new opportunities with peace of mind. Join Shaun Ganguly, one of Australia’s most influential voices in aged care and retirement planning, for an informative and empowering seminar. As the director and founder of Aged Care Financial Planning and Retirement Village Financial Advice, Shaun has guided thousands of families through complex financial decisions. Featured in The Australian Financial Review, The Age, and Channel 7 News, Shaun brings clarity to the often-confusing world of aged care funding, retirement village contracts, and Centrelink entitlements. Whether you’re already retired, preparing to take the next step, or supporting a lo
