Event Overview

Garden Guru - James Wall - regularly heard on 3AW There's something about spring that makes you want to step outside, roll up your sleeves, and get your garden looking its best. But after months of neglect, sometimes it's hard to know where to start. When is the right time to prune back old growth? What's the best fertiliser or compost for your soil? When should you plant herbs and veggies so they thrive and reward you with a summer harvest? Rivervue Retirement Village is proud of its stunning gardens, and we know just how much love and commitment it takes to make them thrive. To help the community prepare for the season ahead, Rivervue has invited garden guru James Wall – a familiar voice on 3AW – to host a special gardening event. James, the owner of Gardenworld, has spent more than
