Event Overview

Discover the 5 proven tips from expert relocation specialists to take the stress out of decluttering and downsizing. Find out from professional auctioneers how to turn unwanted furniture and goods into cash - and what's really worth selling (because not everyone in the family wants to inherit the crystal set!). Be inspired by real people who've already made the move, and get insider real estate strategies to maximise your home's sale price. Spots are limited - secure your place today and enjoy a relaxed afternoon with complimentary café-style tea and treats.
