Event Overview

You asked and we listened. One of the most common questions we hear is "What's the best way to really understand the Somerset community?" Our answer is simple: get to know the people who live here. That's why we're inviting you to join us for exclusive afternoon drinks at Somerset, a relaxed social hour shared with our residents and team. This isn't a presentation or a sales event. It's an opportunity to enjoy a drink, share a conversation, and experience what life at Somerset is really like.

Meet and chat with current residents Learn what day-to-day life at Somerset is really like Explore the community at your own pace Ask questions or simply soak up the atmosphere

Whether you're actively exploring retirement living or just beginning to look, this is a comfortable, no-pressure
