Event Overview

Discover what life at Monterey is really like. Join us for a relaxed, small-group information session and guided community tour, designed to be informal, unhurried and welcoming. This is your opportunity to explore the community, ask questions without pressure, and connect with others who are considering a similar next chapter. No pressure. Just information, conversation and time to explore. What to Expect

Small-group information session Guided community tour at a relaxed pace A welcoming, informal atmosphere Opportunity to meet like-minded people
