Event Overview

We're opening our doors at Lifestyle Communities Brookfield! Brookfield is where Lifestyle Communities began, and after years of connection, shared stories, and a Clubhouse that's been the heart of it all, it's still a place that truly feels like home. Join us for our Open Day to tour the Clubhouse, explore our homes and connect with homeowners who make this community what it is. If you're thinking about your next chapter, this is a great way to see how the vibrant community can make your next chapter feel easy, familiar and full of life. Saturday 18 April 10am to 12pm 111-139 Coburns Road, Brookfield RSVP to 1300 50 55 60 or walk in on the day.
