Event Overview

Living Retirement in a Changing Market is an informative in-person and online event designed to help people confidently navigate the decision of whether to move into retirement living. Hosted at Buderim Gardens Retirement Village and streamed live nationally, the session features a panel of respected experts across property, retirement living and finance, who provide practical guidance on current market conditions, financial considerations and the retirement living journey. Attendees will gain valuable insights, clear next steps and greater confidence in determining whether now is the right time to make their move. Click here for more information
