Event Overview

Are you or a loved one currently living independently or in a retirement village and wanting to know more about keeping it that way? RFBI Care at Home is hosting a free community information session at RFBI Goulburn Masonic Retirement Village to help seniors and their families better understand the Support at Home program, maintain their independence and boost their overall wellbeing. Navigating aged care can often feel overwhelming, but you don't have to figure it out alone. During this relaxed, one-hour presentation our experienced team will guide you through the essentials of home care. What the session covers Our team will break down the process step-by-step:

Understanding My Aged Care: learn what the system is and who qualifies.
Registration & assessment: simple gu
