Event Overview

Join our Masterclass Series, a free 2 part live presentation series created for retirees considering downsizing. In Masterclass 1 discover how the right move could support both your lifestyle and potentially your finances. This Masterclass brings together expert advice on downsizing and retirement wealth, alongside insights into the wellbeing programs and support available within a Levande community. Whether you're just starting to explore your options, or ready to make the move, these sessions offer friendly, practical guidance at every step of your next chapter. You'll enjoy a complimentary lunch at each event, along with expert guest speakers covering the topics that matter most: Masterclass 1: Wednesday 14 October Downsizing and Dollars – What You Need to Know
