Village Hall/30A West Avenue, Cessnock - NSW

Event Overview

Would you like to feel more confident using your phone, tablet or everyday technology? RFBI is pleased to partner with IT4Retirees to bring a series of free, practical digital skills workshops to our Cessnock community. Whether you're looking to get more comfortable using your Apple or Android device, learn how to manage and edit photos or feel more confident shopping and banking online, these friendly sessions are designed to help you develop useful everyday digital skills. There's also an opportunity to ask questions, learn at your own pace and build your confidence with technology. What can you learn? Throughout the program, you'll have the opportunity to explore:

Apps and online safety – Build your understanding of everyday technology and staying safe online. Apple and Android
